

Boots Pension Scheme – Change to pension payment dates

The Trustees have changed the date on which your pension payment will be credited to your bank account. With the exception of December 2022 and February 2023, pensions will be paid on either the 28th of the month, or if the 28th falls on a weekend or bank holiday, the preceding working day.

The December pension will continue to be paid on the Friday before Christmas and the February pension will continue to be paid on 27th, unless the 27th falls on a weekend, in which case it will be paid on the preceding working day.

Payment dates up to and including March 2023 are shown below:
